

**BOLD FLAVOR.
CLEAN FINISH.
PURE PIEDMONTESE.**

Certified Piedmontese beef comes from a rare heritage breed known for its naturally lean yet tender muscle structure—delivering exceptional flavor with less fat and fewer calories than conventional beef.

Raised regeneratively and grass-fed, grass-finished on family ranches across the American Midwest, this beef is Non-GMO, humanely raised, and never treated with added hormones or antibiotics. With a deep commitment to sustainability and quality, Certified Piedmontese is the premium choice for chefs who demand performance without compromise.
